

# Recommended products and services

**Andy Peat**  
DESIGN

This is a group of local Midlands-based businesses which meet weekly and has a strict code of conduct ensuring that only quality businesses remain members.

What this means to you is that each business is carefully vetted and the level of service is monitored each week, so you can be sure that you are getting a reliable quality of service.

Please take a look at my list of local contacts and if you need any of their services, tick the box on this PDF and click to email directly to me with your own contact details and I will personally arrange for them to contact you and help resolve your challenge.
